

American Red Cross of Central Massachusetts Seeking Nominations for Community Heroes

10th Annual 2012 Heroes Breakfast

HERO –

One who inspires through manners and actions; an individual who leads through personal example and accomplishments requiring bravery, skill, determination or other admirable qualities.

Do you know someone who has done something extraordinary, such as save a life, or made a positive impact in your community? Heroes typically are everyday people – maybe even someone you know....a family member, friend, co-worker or perhaps a stranger whose heroic action you saw on the television or read about this past year.

Each year the American Red Cross seeks out and recognizes exceptional people for their outstanding contributions to our Central Massachusetts community at the 10th Annual Heroes Breakfast which will take place in March 22, 2012. If you know of someone who you feel is truly a hero, now is your time to nominate them by visiting the Central Mass Red Cross website at: www.redcrosscwm.org Nomination forms are available online, along with more information.

All nominees must be residents of the state that they are nominated in and their act of heroism must have taken place between January 1, 2011 and December 31, 2011. All nominations must be in by no later than January 14, 2012.
