Creative Suites Now Open at Historic Mill Site

CREATIVE SUITES OPENING UP AT THE SHOP

The Shop at Whitinsville is proud to announce the opening of newly developed **Creative Suites**. **Ranging from 300-1,000 square feet**, they are designed to be used as Artist Studios, Workshops, or unique Office Spaces. Located in **1.4 million square foot renovated mill building in downtown Whitinsville**, each space has high ceilings and large windows – both northern and southern exposure is available – and can be built to suit the tenant. Cost per square foot can't be beat, and heat and electricity are included.

Larger spaces are also available, ranging from 1,000-70,000 square feet can accommodate a wide assortment of businesses, including Research and Development, Light Manufacturing, and Warehouse and Distribution. Flex Spaces that can grow along with your business are available and perfect for a Start-Up business. **WRT Management boasts**, "You won't find better prices anywhere".

Spaces are fully sprinkler fitted, heated, and accessible 24/7; some have air conditioning and almost all have loading dock access. A fully outfitted woodworking/millwork shop is ready to go.

For more information, please call **Kathy Beck at 508-234-6301**, more details on Facebook at **The Shop at Whitinsville**.
